

GO GREEN WITH ALLIED

You now have the option to receive your monthly parking statement via email. This option will be available beginning with your August 2011 statement. If you wish to receive your statement via email instead of USPS please fill out the section below and return it by fax to our main office to 612-332-0248 or send us your information by email to Billing@alliedparkinginc.com.

Your paperless statement will look the same as what you currently receive in the mail, so you will be able to use it as your receipt for parking or reimbursement.

(Please print carefully)
